**MEMORANDUM OF UNDERSTANDING**  
**between**  
**CITY OF ALAMEDA**  
**AND**  
**ALAMEDA POLICE OFFICERS ASSOCIATION**

This Memorandum of Understanding is entered into pursuant to the provisions of Section 3500 et. seq. of the Government Code of the State of California.

The parties have met and conferred in good faith regarding wages, hours and other terms and conditions of employment for the employees in said representation unit, and have freely exchanged information, opinions and proposals and have reached agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

This Memorandum of Understanding shall be presented to the City Council of the City of Alameda as the joint recommendation of the undersigned parties for salary and employee benefit adjustments for the period commencing December 19, 2021 and ending June 30, 2025.

**Section 1. Recognition**

**1.1 Association Recognition**

Alameda Police Officers Association hereinafter referred to as the "Association," is the recognized employee organization for the classifications listed in Appendix A.

**1.2 City Recognition**

The Municipal Employee Relations Officer of the City of Alameda or any person or organization duly authorized by the Municipal Employee Relations Officer, is the representative of the City of Alameda, hereinafter referred to as the "City" in the employer-employee relations, as provided in Resolution No. 15735 adopted by the City Council on January 19, 2021.

**Section 2. Association Security**

**Dues Deduction**

Payroll deductions for membership dues shall be granted by the City only to the Association.

The following procedures shall be observed in the withholding of employee earnings:

- (1) Payroll deductions shall be for a specific amount and uniform as between employee members of the Association and shall not include fines, fees and/or assessments. Dues deduction shall be made only upon the employee's written authorization on a payroll deduction form provided by the City.
- (2) Authorization, cancellation or modification of payroll deduction shall be made upon forms provided or approved by the City Manager. The voluntary payroll deduction authorization shall remain in effect until employment with the City is terminated or

until canceled or modified by the employee by written notice to the City Manager. Employees may authorize dues deductions only for the Association certified as the recognized representative of the unit to which such employees are assigned.

- (3) Amounts deducted and withheld by the City shall be transmitted to the officer in writing by the Association as the person authorized to receive such funds at the address specified.
- (4) The employee's earnings must be sufficient, after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in a pay status during that period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other required deductions have priority over the Association dues deduction.
- (5) The Association shall file with the City Manager an indemnity statement wherein the Association shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of checkoff of Association dues or premiums for benefits. In addition, the Association shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

### **Section 3. Association Representatives**

City employees who are official representatives of the Association shall be given reasonable time off with pay to attend meetings with management representatives, or to be present at hearings where matters within the scope of representation or grievances are being considered. The use of official time for this purpose shall be reasonable and shall not interfere with the performance of City services as determined by the City. Such employee representatives shall submit a written request for excused absence to their respective department heads, with an information copy to the City Manager, at least two (2) working days prior to the scheduled meeting whenever possible. Except by mutual agreement, the number of employees excused for such purposes shall not exceed three (3).

### **Section 4. Access to Work Locations**

Reasonable access to employee work locations shall be granted officers of the Association and their officially designated representatives for the purpose of processing grievances or contacting members of the Association concerning business within the scope of representation. Such officers or representatives shall not enter any work location without the consent of the City Manager. Access shall be restricted so as not to interfere with the normal operations of the department or with established safety or security requirements.

Solicitation of membership and activities concerned with the internal management of the Association, such as collecting dues, holding membership meetings, campaigning for office, conducting elections and distributing literature, shall not be conducted during working hours.

### **Section 5. Use of City Facilities**

City employees or the Association or their representatives may, with the prior approval of the

City Manager or designated representative, be granted the use of City facilities during non-work hours for meetings of City employees provided space is available. All such requests shall be in writing and shall state the purposes of the meeting.

The use of City equipment normally used in the conduct of business meetings, such as desks, chairs, and whiteboards is allowed, but the use of City owned electronic devices such as computers, printers, and copiers is strictly prohibited, notwithstanding the presence of such equipment in approved City facilities notwithstanding.

## **Section 6. Bulletin Boards**

The Association may use portions of City bulletin boards under the following conditions:

- (1) All materials must be dated and must identify the Association that published them.
- (2) Unless special arrangements are made, materials posted will be removed thirty-one (31) days after the publication date.
- (3) The City agrees to provide bulletin boards in reasonable locations and designate a reasonable portion thereof for Association use.
- (4) If the Association does not abide by these rules, it will forfeit its right to have materials posted on City bulletin boards.

## **Section 7. Advance Notice**

Except in cases of emergency, reasonable advance written notice shall be given the Association of any ordinance, rule, resolution or regulation directly relating to matters within the scope of representation proposed to be adopted by the City Council and shall be given the opportunity to meet with the City Manager prior to adoption. In cases of emergency when the City Council determines that an ordinance, rule, resolution or regulation must be adopted immediately without prior notice or meeting with the Association, the City shall provide such notice and opportunity to meet at the earliest practical time following the adoption of such ordinance, rule, resolution or regulation.

The City agrees to post City job announcements on all bulletin boards at the earliest practical time.

## **Section 8. City Rights**

The rights of the City include, but are not limited to, the exclusive right to determine the mission of its constituent departments, commissions and boards; set standards of service; determine the procedures and standards of selection for employment and promotion; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of governmental operations; determine the methods, means and personnel by which government operations are to be conducted; determine the content of job classifications; take all necessary actions to carry out its mission in emergencies; and to exercise complete control and discretion over its organization and the technology of performing its work.

## **Section 9. No Discrimination**

Consistent with State and Federal law there shall be no discrimination or harassment of any kind based on any statutorily (federal, state, or local) protected class, including but not limited to; race, religious creed, color, national origin, ancestry, physical disability (including HIV and AIDS), mental disability, medical condition (ex. Cancer), genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, pregnancy, political affiliation, military and veteran status or legitimate union activities, against any employee or applicant for employment by the Association, the City or by anyone employed by the City; and to the extent prohibited by applicable state and federal law, there shall be no discrimination because of age. There shall be no discrimination against any disabled person solely because of such disability unless that disability prevents the person from meeting the minimum standards established.

## **Section 10. Hours of Work**

The workweek consists of forty (40) hours. The employee will receive a paid forty (40) minute lunch period each workday during which the employee will be available for any emergency call.

During the term of the agreement, the parties agree to meet and confer on a 12 hour-shift option.

The parties agree to update all MOU sections and departmental policies to reflect this change.

The Chief of Police will establish the number of shifts and start times for the forty hour (40) workweek.

## **Section 11. Overtime, Call Back, Acting Pay, Training, Stand-by**

### **11.1 Overtime Authorization**

All overtime must be authorized by the City Manager or his or her designated representative in advance of being worked.

### **11.2 Definition of Overtime**

Any authorized time worked other than the Sergeant's or Police Officer's, workday shall be compensated at the rate of one and one-half (1-1/2) times the employee's regular straight-time rate of pay.

### **11.3 Call Back**

If an employee is called back to work, he or she shall, upon reporting, receive a minimum of four (4) hours' work, or if four (4) hours' work is not furnished, a minimum of four (4) hours' pay at time and one-half (1-1/2).

This provision does not apply to instances in which the employee is called to report before his or her regular starting time and is worked from the time he or she reports to his or her regular starting time.

### **11.4 Acting Pay**

An employee who is assigned in writing by the Chief of Police and approved by the City Manager to perform a job in another classification during the temporary or permanent absence of an employee shall be paid the first step of the higher classification which is above the salary step of the employee assigned to the acting position, but not less than five

percent (5%). The City Manager may approve a "Y" rate outside an existing classification if additional duties so warrant.

#### **11.5 Training**

If a sworn officer at or below the rank of Police Sergeant required by the Department or by state law to attend a training class on his or her regular day off, or on his or her regular workday but not contiguous with his or her regular shift, he or she shall be guaranteed a minimum of two (2) hours' overtime at the overtime rate of pay which shall be paid. If a sworn officer at or below the rank of Police Sergeant is required by the Department to attend a training class contiguous with his or her regular duty shift, he or she shall be guaranteed a minimum of one (1) hour overtime at the overtime rate of pay, with the understanding that there may be, at the Department's discretion, a break of less than fifteen (15) minutes between the end of the work shift and the beginning or end of the one (1) hour training period. Such overtime shall be paid.

#### **11.6 Stand-by**

If a Sergeant or Police Officer is placed on emergency on-call status, known as stand-by, by the Department, such employee shall be credited with one-half ( $\frac{1}{2}$ ) his or her regular hourly salary rate during the period that he or she is on stand-by; provided, however that stand-by shall not be considered pay, salary, or compensation for the purpose of calculating present or future pension benefits; and that the employee shall be available at a telephone number supplied to the Department during the stand-by period, and must report for duty if called at the time specified by the Department; and that an employee will not be on stand-by for more than twelve (12) consecutive hours.

#### **11.7 Compensatory Time**

The present compensatory time policy as described in Policy Manual section 1038 will be continued for the duration of this Memorandum of Understanding.

Maximum Compensatory Time accrual is eighty (80) hours.

#### **11.8 Court Time**

Employees who are off-duty and who are required to testify in court or attend a District Attorney's conference in any criminal matter will receive a minimum of six (6) hours' of pay computed at time and one-half ( $1\frac{1}{2}$ ), one-third of which will be converted to leave that may not be cashed out, unless required by law, and which must be used before the end of the last full pay period of the year in which the leave is earned, except that leave hours earned during the last four full pay periods or afterwards in the current calendar year must be used before the end of the last full pay period of the following year. Overtime in excess of the minimum two (2) hours' or contiguous with a work shift will be computed at time and one-half ( $1\frac{1}{2}$ ) for actual time involved. Nothing in this provision is intended to deprive employees of compensation that may be owed under the Fair Labor Standards Act.

#### **11.9 Retention Pay**

Upon the satisfactory completion of five (5) years of continuous service with the Alameda Police Department, the employee's regular base monthly salary shall be increased by one and one half percent (1.5%). Upon the satisfactory completion of ten (10) years of continuous service with the Alameda Police Department, the employee's regular base monthly salary shall be increased by an additional one and one half percent (1.5%) to a total of three percent (3.0%). Upon the satisfactory completion of fifteen (15) years of continuous service with the Alameda Police Department, the employee's regular base monthly salary shall be increased by an additional four percent (4.0%). Upon the satisfactory completion of

twenty (20) years of continuous service with the Alameda Police Department, the employee's regular base monthly salary shall be increased by an additional five percent (5.0%).

#### **11.10 Physical Fitness Incentive Program**

Both the City and the APOA will establish an agreed upon annual fitness test for its members. Participation in this program is strictly voluntary. If a member agrees to voluntarily participate in the agreed upon fitness test and successfully passes the test, that employee will receive an additional 10 hours of leave time to be used by the end of the final full pay period of the calendar year or it will be forfeited. This leave time may not be cashed out.

#### **11.11 Educational Reimbursement and Educational Incentive**

Effective, the first full pay period after July 1, 2013, all APOA members will be eligible to receive only one of the following benefits in this Section. The incentive attaches to the highest certification or degree that the employee has earned. If an employee attains a lower level benefit, and then attains a higher level benefit, the employee will not be able to "stack" the benefit, but will receive the rate appropriate to the employee's level.

- \$1000.00 annually for an intermediate Post Certificate, divided and disbursed evenly across each pay check in a calendar year
- 4% of base hourly rate per pay check for an Advanced POST Certificate
- 5% of base hourly rate per pay check for a Bachelor's degree.
- 6% of base hourly rate per pay check for a Master's degree.

### **Section 12. Salaries**

#### **12.1 Rates of Pay**

Rates of pay shall be as set forth in Appendix A which is attached hereto and made a part hereof.

**2022:** Wage increases to begin the first full pay period after January 1, 2022 will be four percent (4.0%).

**2022:** Wage increases to begin the first full pay period after July 1, 2022 will be two and one half percent (2.5%).

**2023:** Wage increases to begin the first full pay period after July 1, 2023 will be three percent (3.0%).

**2024:** Wage increases to begin the first full pay period after July 1, 2024 will be three percent (3.0%).

#### **12.2 Starting Rate**

Except as herein otherwise provided, the entrance salary for a new employee entering City service shall be the minimum salary for the class to which appointed. When circumstances warrant, the City Manager may approve an entrance salary which is more than the minimum salary. The City Manager's decision shall be final.

#### **12.3 Step Increases**

The step plan of each salary range shall be applied and interpreted as follows for permanent

and probationary employees:

The first step shall be the minimum rate and shall normally be the hiring rate for the class. In a case where it is difficult to secure a qualified person or if a person of unusual qualifications is engaged, the City Manager, after receiving the recommendation of the appropriate Department Head, and the advice of the Human Resources Director, may approve appointment above the first step.

The second step shall be paid upon satisfactory completion of one (1) year of paid status at the first step.

The third step shall be paid upon satisfactory completion of one (1) year of paid status at the second step.

The fourth step shall be paid upon satisfactory completion of one (1) year of paid status at the third step.

The fifth step shall be paid upon satisfactory completion of one (1) year of paid status at the fourth step.

Raises to the second, third, fourth and fifth steps shall be automatic unless an unsatisfactory service rating report is made by the appointing authority. Following an unsatisfactory service rating report, a raise may be delayed by the Department Head for not more than six (6) months with the approval of the City Manager. A raise to any step may be made at any time by the City Manager on the recommendation of a Department Head whenever an employee exhibits unusual merit.

#### **12.4 Conversion Rate**

Any yearly, monthly, per diem, or hourly rate of pay may be converted into any equivalent rate of pay or to any other time basis when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases, the Finance Director, subject to the approval of the City Manager, shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates.

### **Section 13. Health and Welfare**

#### **13.1 Flexible Benefit Plan**

The City has contracted with the California Public Employees' Retirement System (CalPERS) for the purpose of providing medical insurance benefits for employees covered by this Memorandum of Understanding, eligible retired employees and eligible survivors of retired employees. Eligibility of retired employees and survivors of retired employees to participate in this program shall be in accordance with regulations promulgated by CalPERS and subject to the provisions of Section 4 (a) and (b) of the Agreement of May 31, 1991 between the City and the "members of the 1082 Pension System", transferring the 1082 pension system to PERS. (See Section 14.3 and Appendix B.)

Through the term of this agreement, the City shall contribute the maximums listed below. Employees who elect not to enroll on one of the City's health plans, and show evidence of coverage in an alternative plan, shall receive \$230 per month.

#### **2022 Maximum City Contribution**

Waiver of Coverage	\$ 230.00 Cash-in-Lieu
Single Party	\$1,097.90
Two-Party	\$2,019.92
Family	\$2,573.13

Effective January 1, 2023 and every January thereafter during the term of this agreement, the City will increase its contribution to member's medical premium to reflect 50% of the increased cost from the previous year, of the CalPERS Kaiser Plan in the area or region in which Alameda is assigned. The increase will be based on 50% of the increase to the Employee plus two or more dependents level of coverage. The \$230 cash-in-lieu for waiving medical coverage shall not change.

Each employee shall be responsible for providing immediate written notification to the Human Resources Department of any change to the number of his/her dependents which affects the amount of the City payment to the Flexible Benefits Account. An employee, who by reason of failing to report a change in dependents, receives a City payment greater than the amount to which he/she is entitled shall be liable for refunding the excess amounts received via a reduction in the amount paid to his/her Flexible Benefits Account. Changes to flexible benefit payments required because of a change in an employee's number of dependents shall take effect at the start of the first pay period in the month next following the month in which advice from the employee is received by the Human Resources Department. No retroactive increases to the City's payments shall be allowed.

### **13.2 Dental Insurance**

The City shall provide dental insurance coverage for full-time employees and their eligible dependents. This coverage will be mandatory for all employees. Any increase in premium shall cause a like increase in the flexible benefit account. The City will switch to a plan that will cover 90% of the cost of services, with the employee picking up 10% of the cost of services when the current 80%-20% plan expires.

The current dental plan is a \$2500.00/\$2500.00 benefit plan per employee and eligible dependent for annual dental care and lifetime orthodontic care.

### **13.3 Vision Coverage**

The City will make the current Vision Coverage available at the employee's cost. Effective January 1, 2016, the City will split the cost of the Vision Premiums 50-50 with members of this bargaining unit who opt for this coverage.

### **13.4 Life Insurance**

The City shall make the necessary contributions per month per eligible employee toward the City's Flexible Benefits to provide each employee with a \$50,000 life insurance program. This coverage will be mandatory for all employees.

### **13.5 Employee Assistance Program**

The City shall continue to provide for all employees an employee assistance program. The cost of such program shall continue to be paid by the City only during the term of this Memorandum of Understanding.

## **Section 14. Retirement Plan**

Except as modified below, the parties agree to be bound by the Agreement entered into on May 31, 1990, and executed by the City Manager and the President of the Union and attached to this Memorandum of Understanding as Appendix B.

### **14.1 (a) Employees Hired Before January 1, 2013**

The provisions described in this Section A apply only to CalPERS eligible employees hired before January 1, 2013, or to eligible employees hired after that date who qualify for pension reciprocity pursuant to Government Code Section 7522.02 (c).

The City shall continue to provide retirement benefits in accordance with the existing contract with PERS to provide for the 3% @ 50 retirement formula as set forth in Section 21362.2 of the California Government Code effective July 1, 2011 for employees hired prior to January 1, 2013. The City has implemented the provision of Section 414(h)(2) Internal Revenue Code by making employee contributions pursuant to California Government Code Section 20691 to PERS on behalf of all its employees in this recognized group or class of employment. "Employee contributions" shall mean those contributions to PERS which are deducted from the salary of employees and are credited to individual employee's accounts pursuant to California Government Code Section 20691.

The City has contracted with PERS for Employee Cost Sharing under Government Code Section 20516(a). The member's contribution prior to this MOU was 2% over and above the normal 9% contributions made by the employee in previous MOUs. This 11% contribution was in accordance with Section 414(h)(2) of the Internal Revenue Code whereby employee contributions shall be tax deferred and not subject to taxation until the time of constructive receipt.

With the ratification of this agreement, employees covered by this MOU continue with paying 11% until June 30, 2013.

There will be a one percent increase in the employee contribution of PERS pension costs, effective the first day of the first full pay period following the dates listed:

- July 1, 2013 increase 1% resulting in a total employee contribution of 12%.
- July 1, 2014 increase 1% resulting in a total employee contribution of 13%.
- July 1, 2015 increase 1% resulting in a total employee contribution of 14%.
- July 1, 2016 increase 1% resulting in a total employee contribution of 15%

If during the term of this MOU, actuarial valuation numbers improve and the employers normal cost for the retirement benefit reduces, the parties agree to the employees contribution rate being no more than 50% of the employers normal cost. Otherwise, the total employee contribution at levels set forth above will remain in effect until the expiration of this MOU with the understanding that after July 1, 2016 the level shall remain at 15%.

### **14.1 (b) Employees Hired On Or After January 1, 2013**

This Section B shall apply to CalPERS eligible employees hired on or after January 1, 2013, who are do not qualify for pension reciprocity pursuant to Government Code Section 7522.02(c). All of the following requirements apply to these employees:

- a. As required by Government Code Section 7522.25, the safety Option Plan Two (2% @ 50 – 2.7% @ 57) pension formula shall apply.
- b. As required by Government Code Section 7522.32, for the purposes of determining a retirement benefit for CalPERS eligible employees, final compensation shall mean the highest average annual pensionable compensation earned during 36 consecutive months of service.
- c. As required by Government code Section 7522.30, employees shall have an initial contribution rate of 50% of the total normal cost rate.

#### **14.2 Retirement Plan Final Compensation Calculation:**

Pursuant to the Public Employees' Pension Reform Act, all employees who constitute "new members" of the City's defined benefit plan will have their final compensation for pension purposes calculated based on a formula that defines final compensation as the highest average annual pensionable compensation earned during a period of at least 36 consecutive months. Employees who constitute "classic members" of the City's defined benefit plan will have their final compensation for pension purposes calculated based on a formula that defines final compensation on a 12-consecutive month period in accordance with the Public Employees' Retirement Law.

#### **14.3 Retiree Health and Dental Benefit**

##### **(a) Employees Hired On or Before June 7, 2011:**

To be eligible for the retiree health and dental benefits, employees hired on or before June 7, 2011 must have been employed with the City of Alameda for no less than five (5) years and must retire from the City of Alameda within 120 days of separation. Upon retirement with at least (5) five years of service, the City shall contribute up to the two-party rate for either the Kaiser or Blue Shield health plans in the Region or Area Alameda county is assigned by CalPERS (whichever plan is chosen by the employee). Should an employee elect a plan other than Kaiser or Blue Shield, the maximum contribution by the City shall be an amount not to exceed the higher of the Kaiser or Blue Shield Bay Area rates in the Region or Area Alameda County is assigned by CalPERS and shall not exceed the cost of the elected plan. When the employee becomes eligible for Medicare, the Medicare supplement rates for Kaiser or Blue Shield will apply. For dental, the City shall provide dental benefits up to the two-party rate.

In any year in which Blue Shield is not offered, the limit to reimbursement will be the higher of either the Kaiser two-party premium or the average of all plans offered in the Region or Area that Alameda County is assigned by CalPERS. The averaging of plans is limited to only the impacted categories that no longer offer Blue Shield (Basic Combination, or Supplemental/Managed Medicare).

Two-party coverage for health and dental shall include the employee and the spouse to whom the employee is married at the time of retirement. If the employee dies during retirement, the City will provide to the surviving unmarried spouse health and dental insurance at the single-party rate. Contributions to the supplemental retirement plan shall be on a "pick up" basis as defined in IRC 414(h)(2). This supplemental retirement plan allows the accrual of retiree health benefits. Contributions are divided 25% to the 401(h) or retiree health bucket, and 75% to the 401(a) or retiree income bucket. The plan will be administered by a third party administrator, Peery and Associates Inc. All plan expenses will be paid by the participants from the trust. Employees who suffer any disability arising out of and in the course of their employment, as defined by the Workers' Compensation Laws of the State of California, shall be entitled to disability leave while so disabled for the period of such disability to a maximum of one (1) year or retirement, whichever occurs first. Compensation benefits shall be determined and paid in accordance with the Workers' Compensation Laws of the State of California. Integration of sick leave with Workers' Compensation is to be automatic; the City may not waive integration, and any employee entitled to Workers' Compensation must apply, therefore, before sick leave benefits are payable.

The City reserves the right to withhold payment of any disability benefits until such time it is determined whether or not the illness or injury is covered by Workers' Compensation.

## **19.7 Catastrophic Leave Bank**

The City agrees to establish a Catastrophic Leave Bank to assist employees who have exhausted accrued leave time due to a serious or catastrophic illness or injury. The Catastrophic Leave Bank (CLB) will allow the bargaining unit employees to donate time to affected employees within and outside the unit, so that he/she can remain in a paid status for a longer period of time, thus partially ameliorating the financial impact of the illness, injury or condition. This donated time will be placed in a CLB and drawn down from the CLB by the eligible employee.

### **Eligibility**

To be eligible for this benefit, the receiving employee must: 1) Be a regular full time employee, 2) Have sustained or have an immediate family member who has sustained a life threatening or debilitating illness, injury or condition which may require confirmation by a physician, 3) Have exhausted all accumulated paid leave including vacation, holiday, sick leave, and/or compensatory time off, 4) Be unable to return to work for at least 30 days or in the case of the condition affecting the immediate family member, that member must be in need of prolonged and significant personal care; and 5) Conformed with the requirements of the Family Medical Leave Act and/or Worker's Compensation.

Accrued vacation and compensatory time off hours donated by other employees will be converted to sick leave and credited to the receiving employee's sick leave time balance on an hour-for-hour basis and shall be paid at the rate of pay of the receiving employee. For as long as the receiving employee remains in a paid status, seniority, and all other benefits will continue, with the exception of sick leave and vacation accrual. The total leave credits received by an employee will not normally exceed three months. However, if approved by the Department Head and the Human Resources Director the total leave credits may be extended on a case by case basis, subject to review by the City Manager or designee.

### **Retention Pay**

Time in Catastrophic Leave paid status will not qualify for continuous service for determination of Retention Pay. A Retention Pay level in place at the onset of a Catastrophic Leave will continue for the duration of the Catastrophic Leave.

### **Suspended Special Pays**

The following Special Pays will be suspended while an employee is on Catastrophic Leave: Holiday-in-Lieu Pay, Uniform Allowance, Equipment Pay, Bilingual Pay, and duty assignment

pays such as Field Training Officer (FTO) Pay and Canine Pay.

#### Guidelines For Donating Leave Credits To The Time Bank

- a. Accrued vacation leave and compensatory time off may be donated by any regular full-time employee who has completed his/her initial City probationary period. Compensatory time donations will first be from the donating employee's FLSA Comp Time bank, and then from his/her Non FLSA Comp Time bank.
- b. Time donated will be converted from vacation or compensatory time to sick leave hours and credited to the receiving employee's sick leave balance on an hour-for-hour basis and shall be paid at the rate of pay of the receiving employee.
- c. The total amount of time donated to one employee by another employee shall not exceed forty (40) hours. The total leave credits received by the employee shall not exceed three months; however, the Human Resources Director may approve an extension to six months total time.
- d. Initial leave time donations must be a minimum of one work shift. An employee cannot donate leave hours that would reduce his/her vacation balance to less than one week.
- e. The use of donated leave hours will be in consecutive one-shift increments.
- f. While an employee is on leave using donated leave hours, no vacation or sick leave hours will accrue.
- g. Under all circumstances, time donations received for the employee are forfeited once made by the employee making the donation. In the event that the receiving employee does not use all transferred leave for the catastrophic illness/injury, any balance will remain with that employee until that employee's separation from City service.
- h. Taxability of leave donated or received under this program will be governed by Internal Revenue Service guidelines.
- i. For the purpose of the Section, "immediate family member" as referenced under Eligibility shall be defined as provided for in Section 19.6.
- j. Under extenuating and extraordinary circumstances and upon recommendation of the Human Resources Director the City Manager may grant exceptions on a case-by-case basis. Such exceptions shall not establish practice or precedence.

It is further understood that Catastrophic Leave will not apply to employees receiving Workers Compensation benefits or SDI benefits. These issues are under legal review and may require further explanation and amendment.

#### **Section 20. Probationary Period**

All original and promotional appointments shall be subject to a probationary period. The probationary period shall be regarded as a part of the testing process and shall be utilized for closely observing the employee's work for securing the most effective adjustment of a new employee to his position and for rejecting any probationary employee whose

performance does not meet the required standards of work.

The probationary period for a Police Officer is twenty-four (24) months, and a Police Sergeant six (6) months.

These periods are normally considered sufficient to observe and evaluate an employee's performance of their full range of duties and responsibilities required in their position during "active duty". These periods may be extended for extended leaves of absence (including illness, injury or maternity leave) or limited duty. Extended leaves of absence or limited duty are not credited towards completion of the probationary period. In the event of extended leaves of absence, or periods of limited duty, in excess of fourteen (14) calendar days, the City may extend the probationary period by an equal amount upon prior written notification to the employee. The City may also extend a probationary period up to a maximum of six (6) months upon mutual written agreement with the employee. These provisions shall apply only to those employees hired or promoted on or after July 1, 1991.

During the probationary period, an employee may be rejected at any time by the City Manager without cause and without the right of appeal.

Any employee rejected during the probationary period following a promotional appointment shall be reinstated to the position from which he was promoted, unless he is discharged.

## **Section 21. Layoff and Reemployment**

An employee laid off from City service prior to being rehired must pass the physical examination administered by a City-appointed physician and must pass the background check administered by the Police Department. The names of employees laid off shall be placed on a Reemployment Eligible List as hereinafter specified.

Layoffs shall be made in the inverse order of Department seniority.

When a promotional reduction is made in the Police Department, demotions shall be made in the inverse order of seniority in classification. An employee being demoted shall be placed in the classification he or she last held prior to the classification from which he or she is being demoted. Time spent in the higher classification shall be treated as seniority time in the lower classification to which the employee is demoted for purposes of calculating seniority in that lower classification.

The Reemployment Eligible List shall consist of the names of employees and former employees having probationary or permanent status who were laid off in that classification. The rank order on such list shall be determined by relative seniority as specified above. Such list shall take precedence over all other eligible lists in making appointments to the classification in which the employee worked.

The name of any person laid off shall continue on the appropriate Reemployment Eligible List for a period of three (3) years after it is placed thereon. The names of any eligible employees on a Reemployment Eligible List shall be automatically removed from said list at the expiration of the appropriate period of eligibility.

Service with the City shall be terminated by discharge, resignation, or twelve (12) consecutive months of unemployment with the City.

An employee who is laid off shall not accrue or be eligible for any benefits, including but not limited to vacation, sick leave, holidays, medical, dental, life insurance, retirement contributions and uniforms. Any employee reemployed after a layoff shall retain all vacation and sick leave accruals that the employee did not receive compensation for at the time of layoff.

## **Section 23. Personnel Files**

Decisions of Arbitrators on matters properly before them shall be final and binding on the parties hereto, to the extent permitted by the Charter of the City.

#### **24.4 No Abridgement of Other Rights of Appeal**

The provisions of this grievance procedure shall not abridge on rights granted to employees under the City Charter or City ordinances, resolutions, rules and regulations providing other procedures for resolving disputes, except that an employee may not submit a grievance to an arbitrator in accordance with this grievance procedure if the employee has elected to use another procedure available under the City Charter or City ordinances, resolutions, rules and regulations for the resolution of his or her grievance.

AGREEMENT  
TRANSFERRING 1082 PENSION SYSTEM MEMBERS TO PERS

This Agreement, entered into this 31<sup>ST</sup> day of May, 1990, by and between the CITY OF ALAMEDA, a municipal corporation (hereinafter "City") and the members (hereinafter "Members") of the 1082 Pension System (hereinafter "1082 Plan"), is made with reference to the following:

RECITALS:

A. The City of Alameda created by ordinance the 1082 Plan which provides pension benefits for its Members.

B. City and Members desire to transfer membership in the 1082 Plan to the State of California's Public Employees' Pension System (hereinafter "PERS").

NOW, THEREFORE, it is mutually agreed by and between and undersigned parties as follows:

- 1) As soon as practicable all current retirees and all current active and future employees covered by the 1082 Plan will be transferred to the PERS Safety, 2% at 50 full formula as provided in Section 21252.01 of the Government Code of the State of California, including the following optional benefits:
  - a) Section 20024.2 (One Year Highest Compensation)
  - b) Section 20835.1 (Limit Prior Service to Members Employed on Contract Date)
  - c) Section 21361.5 (Local System Service Credit)
  - d) Section 20862.8 (Credit for Unused Sick Leave) and (non-restricted accrual of sick leave)
  - e) Section 21263 and 21263.1 (Post-Retirement Survivor Allowance)
  - f) Section 21266 (Post-Retirement Survivor Allowance to Continue After Remarriage)
  - g) Section 21382.4 (Third level of 1959 Survivor Benefits). Employer will pay employer contribution.
- 2) Upon the City transferring the 1082 Plan to PERS, the IRS will

be requested to review the tax consequences of the following language: "Any election to convert the City paid employee contribution will be revoked in the event the employee returns to duty status."

- 3) Upon the City transferring the 1082 Plan to PERS, the following language will apply to all safety employees of the City:

Employees who are members of the Public Employees' Retirement System (PERS) may participate in a PERS "Pick-Up Program". Said Program operates under the provisions contained in Section 414(h)(2) of the Internal Revenue Code concerning the tax treatment of employee retirement contributions to PERS paid by the City of Alameda on behalf of said employees.

The City shall contribute to PERS each pay period a portion of the employee contribution rate as established by law equal to nine percent (9%) of the employee's "compensation" as that term is administered by the Board of Administration of PERS.

Contributions made pursuant to this section shall be reported to PERS as "employee contributions being made by the contracting agency." The City will not treat these contributions as compensation subject to income tax withholding unless the Internal Revenue Service or Franchise Tax Board determines that such contributions are taxable income subject to withholding.

Each employee is solely and personally responsible for any federal, state or local tax liability of the employee that may arise out of the implementation of this section or any penalty that may be imposed therefor.

Except as set forth in the following paragraphs the aforesaid contribution shall be considered solely for the purpose set forth herein and shall not be considered for any other purpose including, but not limited to, being considered as part of any employee's salary for the purpose of computing straight-time earnings, compensation for paid leaves, compensation for overtime worked, compensation benefits and the City's contribution to PERS.

Any employee who has attained the age of forty-five (45) may elect to convert the said City-paid employee contribution to PERS to a salary increase of the same amount. Such election shall be irrevocable, must be made in writing and received by the Personnel Director, and shall become effective on the first of the month

"Sec 3 deleted circa July 1994"

following the date of election. In the event of such election the employee will thereafter be required to make the total amount of his or her contribution rate established by law.

In the event an illness or injury occurs which may cause an employee's retirement, that employee may immediately convert the nine percent (9%) City-paid employee contribution to the retirement fund to a nine percent (9%) salary increase, in which event the employee will be required to pay the total amount, nine percent (9%), of the employee contribution which had been paid by the City to the retirement fund.

The City shall afford the employee, at the employee's option, the ability to pay the nine percent (9%) City-paid employee contribution to the retirement fund retroactive twelve (12) months prior to an illness or injury which may cause an employee's retirement.

Any election to convert the City paid employee contribution will be revoked in the event the employee returns to duty status.

- 4) Upon the City transferring the 1082 Plan to PERS, the following language will apply to all 1082 safety employees and retirees who retired under 1082 who elect to transfer to PERS and current safety employees:

a. Medical Insurance

For 1082 retirees and future Public Safety retirees who are currently members of one of the City sponsored health plans, the City shall contribute the health plan costs, at the one party or two-party rate as the case may be, for that plan until the retired employee is eligible for Medicare coverage. If and when the retiree becomes eligible for Medicare coverage, Part A and Part B, then the City shall provide the retiree a Medicare supplementary program as provided for in Government Code Sections 22819 and 22859. In place of the above described rates, the City will pay the full cost of such Medicare Supplement Program. Any of the above mentioned retirees who currently are not enrolled in a City sponsored health plan may elect to receive a monthly contribution by the City, equal to the average of the one-party or two-party rates, whichever is appropriate, paid by the City, to a qualified health care plan (on record with the City) for the purpose of purchasing health care. Retired employee dependent eligibility for City health plan contribution is conditional upon the active enrollment of the retired employee.

For an employee of the City, who was married at the time of retirement and who dies during retirement, the surviving unmarried spouse of the retiree will have his or her medical insurance paid by the City at the single party rate.

If a retired employee remarries, the retiree may add the retiree's spouse to the medical insurance coverage at the retiree's expense.

b. Dental

1082 retirees and future Public Safety retirees may elect to receive a monthly contribution by the City, equal to the one party or two party rate, as the case may be, paid by the City, to a qualified dental care plan (on record with the City) for the purpose of purchasing dental care. For an employee of the City, who was married at the time of retirement and who dies during retirement, the surviving unmarried spouse of the retiree will have his or her dental insurance costs paid by the City at the single party rate. Should the City provide a dental benefit plan covering retired employees at a later date, the City shall provide the retiree and the surviving spouse the option of joining said plan at City cost at the appropriate rate. If a retired employee remarries, the retiree may add the retiree's spouse to the dental insurance coverage at the retiree's expense.

- 5) Any monies left in the 1082 Fund after the necessary funds have been transferred to PERS will be administered by the 1082 Pension Board to fund Health & Welfare (e.g. medical and dental) benefits for eligible retirees and dependents formerly members of the 1082 Pension System. Any other use of these monies would be a subject of negotiation with the Alameda Police Association and IAFF Local 689 representatives and would require their concurrence.
- 6) An individual Member who is retired from the City of Alameda under 1082 may make an irrevocable election to remain in the 1082 Plan. The existing benefits of the individual Member of the 1082 Plan at the time of election shall remain in full force and effect, without additions or deletions. Such election shall be made in writing to the City's Personnel Director and be made within 15 days from the date of the receipt of the Notice of Election.
- 7) This Agreement shall be effective upon ratification of all PERS transfer/contract amendment requirements. Non-restricted accrual of sick leave for purposes of Optional Benefit Section 20862.8 shall be effective as of January 1, 1990.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the day and year first above written.
