Dear Pier 80 Neighbor,

Goldenvoice is very excited to present the third year of **Portola Music Festival** at Pier 80. Portola is a multi-genre music festival bringing together world renowned artists, metaverse pop stars, and legendary names on the same weekend, which will also feature local food and beverage offerings, art installations and more.

**Portola** is a two-day festival with special lineups each day. This event is scheduled on Saturday September 28<sup>th</sup> 1:00PM – 11:00PM and Sunday September 29<sup>th</sup> 1:00PM – 11:00PM, with all outdoor, amplified sound ending no later than 10:45pm on Sunday. Please expect sporadic soundchecks beginning Thursday September 26<sup>th</sup> through Friday September 27<sup>th</sup> from 12:00PM – 10:00PM and on show days 9:00AM – 12:00PM.

With the input we received last year from community stakeholders, we will monitor audio levels at more strategic locations in and around the site, San Francisco, and the City of Alameda.

We are committed to making this event even better than last year for not only the patrons but the neighborhood and the city as a whole. Understanding that traffic congestion and sound were two factors that had a heavy impact on the community, we have focused a significant amount of energy and resources in creating better solutions this year. Please visit <https://portolamusicfestival.com/get-here-get-out/> for our most up to date information regarding transportation and our traffic plans, which have been developed in conjunction with local transit authorities.
