1	I have no need of the aquatic center. I belong to a gym that has an indoor pool. Alameda Recreation Dept. charges TOO MUCH MONEY for the public (i.e. taxpayers who pay for it all) for swimming activities. A poor child can't learn to swim because APRD charges so much money for swimming lessons (along with everything else in "recreation" for kids). Whatever happened to "Swim to Live", where every child could learn to swim for free. Shame on you. APRD.Also, DO NOT STEAL the swimming pool at Franklin from the families who successfully use it.	8/25/2024 9:54 AM
