## MESSAGE FROM THE DIRECTOR

Summer is upon us, and the City of Alameda's Recreation and Park Department is thrilled to welcome you to a season filled with fun, connection, and unforgettable experiences! Our parks and programs are here to bring joy to all, and we can't wait to share an exciting lineup of events and activities with you.

This year, we are bringing back beloved community traditions, starting with the Spring Shindig, where families and friends can come together to celebrate spring. Our Sand Castle Contest invites you to showcase your creativity on the shores of Crown Beach, and, of course, we are proud to host Alameda's award-winning Fourth of July Parade, a cherished tradition that brings our community together in patriotic spirit.

We're also excited to introduce new summer programs for Transitional Kindergarten (TK), providing our youngest residents with engaging and enriching experiences. Plus, we are expanding our free summer programs, ensuring more opportunities for all children to explore, learn, and play throughout the season.

Whether you're joining us for a community event, taking advantage of our expanded summer programs, or simply enjoying our parks, we invite you to make the most of all that Alameda has to offer this summer. Thank you for being part of what makes this community so special—we look forward to seeing you out there!

**Sincerely,**  
**Justin Long, Director of Recreation and Parks**

# YOUTH - ARPD AQUATIC CAMPS

## ARPD AQUATIC CAMPS

### Swimmers of all abilities welcome

Aquatic camps are fun-filled day programs designed to provide participants with engaging water-based activities in a safe and supportive environment. Focused on enjoyment and recreation, these camps emphasize creativity and imaginative play.

Each session features exciting themes, including drama-based activities and water games, ensuring a memorable experience for all campers. From Pirates and Mermaids to Aqua Drama and Camp Neverland, the camps offer a wide variety of activities to spark curiosity and keep participants active.

These camps provide the perfect opportunity for campers to make new friends, build confidence, and enjoy summer days in and around the water!

Our counselors will evaluate each camper's swimming ability to determine if a life jacket is required for their safety. Swim tests will be conducted at the start of every camp session. To ensure a safe and enjoyable experience for all, campers may occasionally be grouped based on their swimming skills. When selecting a camp, we kindly ask you to consider your child's swimming proficiency to help ensure the best fit for their abilities.

For Aqua Camps, please ensure your child brings the following items each day:

- A swimsuit and towel
- A rash guard for sun protection (optional but recommended)
- A change of clothes
- Water shoes (optional but recommended)
- Sunscreen (applied before camp and packed for reapplication)
- A hat for additional sun protection
- A lunch, water bottle, and snack

Thank you for helping us create a fun and safe experience for your child! We're so glad you've chosen to register with ARPD Aquatics! Below, you'll find some new information about our policies and procedures to help ensure your experience with us is as smooth as possible:

### Registration Policies

#### Refunds and Transfers:

Parents can unenroll, request a refund, or transfer their registration from February 19 to April 18. After April 18, we will no longer issue refunds, although transfers may still be possible with certain limitations.

If you have any questions or need to request changes, please contact the Aquatics Department at [arpdaquatics@alamedaca.gov](mailto:arpdaquatics@alamedaca.gov). When you reach out, please include the participant's name, activity details, and a contact phone number. We'll do our best to respond within three business days.

### Arrival and Departure Procedures

#### Sign-In and Sign-Out:

Parents or guardians must sign their child in upon arrival to ensure everyone's safety. Please note that children won't be able to participate in activities unless they are signed in. At the end of the day, an authorized parent or guardian must sign them out. Sign-out will occur by the jet at the Enincal High School semi-circle parking lot.

#### Release Policy:

For everyone's safety, we will only release a child from our facility with an authorized adult present unless management has made and approved prior arrangements.

Thank you for your attention to these matters and helping us create a safe and enjoyable environment for everyone!
