TREE REMOVAL NOTICE

Date Posted: June 27, 2024

Address: 3007 Jackson Street

The Public Works Department has scheduled the removal of this publicly owned tree after July 18, 2024.

This tree is being removed for the following reason: The tree's proposed root pruning will remove the holding roots opposite the lean of the tree; this creates a hazardous condition and requires its immediate removal for the safety of the general public or to prevent significant damage to property.

The tree is eligible for replacement if no conflicts with MSTP. The replacement tree will be determined at a later date.

A copy of the Arborist Report and Tree Removal Policy (Street Tree Master Plan, Volume 2) are on file at the Public Works Department, City Hall West, 950 W. Mall Square, Room 110, Alameda, for review.
