Crisis Response Program

Our Mission

To avoid unnecessary hospitalizations, to provide short-term voluntary therapeutic treatment and case management of adults in crisis, and to link adults to appropriate longer term mental health

Administration

Program Director

Maryann D'Onofrio, Ph.D.

Assistant Program Director

Julie DaCosta, LCSW

Our County-Wide Service Will:

(Berkeley and Albany are not included)

- Provide telephone crisis intervention, information and referral
- Provide walk-in crisis intervention, information and referral
- Accept adults from and send adults to Psychiatric Emergency Services as appropriate
- Schedule appointments to evaluate adults for assignment to Alameda County BHCS case management services
- Provide urgent interim medication management support
- Provide limited brief treatment for adults at risk of psychiatric hospitalization due to a crisis (30 days or less)
- Provide Mobile Crisis response for adults in Downtown Oakland
- Provide Non-Urgent Mobile Outreach for adults by appointment in other areas of Alameda County (staff permitting)
- Provide psychiatric consultation for primary care providers
