APPLICANT:

I agree to comply with all local ordinances and state laws relating to building construction and I make this statement under penalty of law. I hereby authorize representatives of the City of Alameda to enter upon the above-mentioned property for inspection purposes, except in those construction projects where the Building Official, due to the nature of the project, deems these limitations to be unreasonable. EVERY PERMIT ISSUED BY THE BUILDING OFFICIAL UNDER THE PROVISIONS OF THIS CODE SHALL EXPIRE BY LIMITATION AND BECOME NULL AND VOID IF THE BUILDING OR WORK AUTHORIZED BY SUCH PERMIT IS NOT COMPLETE WITHIN 3 YEARS FOLLOWING THE ISSUANCE DATE OF SUCH PERMIT. Do not conceal or cover any construction units until the work is inspected by the City of Alameda and the inspection is recorded on the building inspection 'Job Card'.

I hereby agree to save, defend, indemnify and keep harmless the City of Alameda and its officers, employees, agents and volunteers from all actions, claims, demands, litigation, or proceedings, including those for attorney's fees, against the City in consequence of the granting of this permit or from the use or occupancy of any sidewalk, street, or sub-sidewalk or otherwise by virtue thereof, and will in all things strictly comply with the conditions under which this permit is granted.

OWNER/BUILDER:

I hereby affirm that I am exempt from the Contractor's License Law for the following reason: (Sec. 7031.5, Business and Professions Code). Any city or county which requires a permit to construct, alter, improve, demolish or repair any structure prior to its issuance, also requires the applicant for such permit to file a signed statement that he/she is licensed pursuant to the provisions of the Contractor's License Law Chapter 9 (commencing with Sec. 7000) of Division 3 of the Business and Professions Code, or that he/she is exempt there from and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to civil penalty of not more than five hundred dollars (\$500).

I, as owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale. (Sec. 7044, Business and Professions Code). The Contractor's License Law does not apply to an Owner of property who builds or improves thereon, and who does such work himself or through his own employees, provided that such improvements are not intended or offered for sale. If however, the building or improvement is sold within one year of the completion, the owner-builder will have the burden of providing that he did not build or improve for the purpose of sale.

I, as owner of the property, am exempt from the sale requirements of the above due to: 1) I am improving my principal place of resident or appurtenances thereto; 2) the work will be performed prior to sale; 3) I have resided in the residence for the 12 months prior to the completion of the work, and 4) I have not claimed exemption in the subdivision on more than two structures more than once during any three-year period. (Sec. 7044, Business and Professions Code).

I, as owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044, Business and Professions Code). The Contractor's License Law does not apply to an owner of property who builds or improves thereon, and who contracts for such projects with a contractor(s) licensed pursuant to the Contractor's License Law.

I, as owner of the property, am exempt under Sec _____ Business and Professions Code for this reason.
