Welcome

The California Joint Powers Risk Management Authority is dedicated to maintaining a commitment to excellence in the protection of its member entities from catastrophic liability and other financial losses.

The CJPRMA programs provide coverage for excess liability, property, boiler and machinery, and auto physical damage. Under the Excess Liability Program, \$40 million in coverage is provided. Members can select retained limits of either \$500,000 or \$1 million. Under the Property Program, participants are provided with \$300 million in coverage.

Additional services are provided to the members through the Risk Management Program. These services include a wide variety of training programs, audits of facilities and programs, and extensive consultation services. The CJPRMA Risk Management Program is designed to supplement and enhance existing member programs in order to increase their level of effectiveness.

Mission Statement

The California Joint Powers Risk Management Authority is a member-directed excess liability risk retention pool that is dedicated to protecting its members from catastrophic losses and meeting the needs of its members by:

- Providing comprehensive, stable, and affordable excess liability coverage
- Offering competitive and flexible coverage programs
- Delivering quality risk management services
- Preserving financial strength and solvency

CJPRMA has been accredited with excellence by the California Association of Joint Powers Authorities (CAJPA) since May 28, 1991
