**MEMORANDUM OF UNDERSTANDING**  
**between**  
**CITY OF ALAMEDA**  
**AND**  
**ALAMEDA POLICE OFFICERS ASSOCIATION**

This Memorandum of Understanding is entered into pursuant to the provisions of Section 3500 et. seq. of the Government Code of the State of California.

The parties have met and conferred in good faith regarding wages, hours and other terms and conditions of employment for the employees in said representation unit, and have freely exchanged information, opinions and proposals and have reached agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

This Memorandum of Understanding shall be presented to the City Council of the City of Alameda as the joint recommendation of the undersigned parties for salary and employee benefit adjustments for the period commencing January 3, 2010 and ending June 29, 2013.

**Section 1. Recognition**

**1.1 Association Recognition**

Alameda Police Officers Association hereinafter referred to as the "Association," is the recognized employee organization for the classifications listed in Appendix A.

**1.2 City Recognition**

The Municipal Employee Relations Officer of the City of Alameda or any person or organization duly authorized by the Municipal Employee Relations Officer, is the representative of the City of Alameda, hereinafter referred to as the "City" in the employer-employee relations, as provided in Resolution No. 7476 adopted by the City Council on May 21, 1969.

**Section 2. Association Security**

**Dues Deduction**

Payroll deductions for membership dues shall be granted by the City only to the Association.

The following procedures shall be observed in the withholding of employee earnings:

- (1) Payroll deductions shall be for a specific amount and uniform as between employee members of the Association and shall not include fines, fees and/or assessments. Dues deduction shall be made only upon the employee's written authorization on a payroll deduction form provided by the City.
- (2) Authorization, cancellation or modification of payroll deduction shall be made upon forms provided or approved by the City Manager. The voluntary payroll deduction authorization

shall remain in effect until employment with the City is terminated or until canceled or modified by the employee by written notice to the City Manager. Employees may authorize dues deductions only for the Association certified as the recognized representative of the unit to which such employees are assigned.

- (3) Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Association as the person authorized to receive such funds at the address specified.
- (4) The employee's earnings must be sufficient, after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in a pay status during that period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other required deductions have priority over the Association dues deduction.
- (5) The Association shall file with the City Manager an indemnity statement wherein the Association shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of checkoff of Association dues or premiums for benefits. In addition, the Association shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

### **Section 3. Association Representatives**

City employees who are official representatives of the Association shall be given reasonable time off with pay to attend meetings with management representatives, or to be present at hearings where matters within the scope of representation or grievances are being considered. The use of official time for this purpose shall be reasonable and shall not interfere with the performance of City services as determined by the City. Such employee representatives shall submit a written request for excused absence to their respective department heads, with an information copy to the City Manager, at least two (2) working days prior to the scheduled meeting whenever possible. Except by mutual agreement, the number of employees excused for such purposes shall not exceed three (3).

### **Section 4. Access to Work Locations**

Reasonable access to employee work locations shall be granted officers of the Association and their officially designated representatives for the purpose of processing grievances or contacting members of the Association concerning business within the scope of representation. Such officers or representatives shall not enter any work location without the consent of the City Manager. Access shall be restricted so as not to interfere with the normal operations of the department or with established safety or security requirements.

Solicitation of membership and activities concerned with the internal management of the Association, such as collecting dues, holding membership meetings, campaigning for office, conducting elections and distributing literature, shall not be conducted during working hours.

## **Section 5. Use of City Facilities**

City employees or the Association or their representatives may, with the prior approval of the City Manager or designated representative, be granted the use of City facilities during non-work hours for meetings of City employees provided space is available. All such requests shall be in writing and shall state the purposes of the meeting.

The use of City equipment other than items normally used in the conduct of business meetings, such as desks, chairs, ashtrays and blackboards is strictly prohibited, the presence of such equipment in approved City facilities notwithstanding.

## **Section 6. Bulletin Boards**

The Association may use portions of City bulletin boards under the following conditions:

- (1) All materials must be dated and must identify the Association that published them.
- (2) Unless special arrangements are made, materials posted will be removed thirty-one (31) days after the publication date.
- (3) The City agrees to provide bulletin boards in reasonable locations and designate a reasonable portion thereof for Association use.
- (4) If the Association does not abide by these rules, it will forfeit its right to have materials posted on City bulletin boards.

## **Section 7. Advance Notice**

Except in cases of emergency, reasonable advance written notice shall be given the Association of any ordinance, rule, resolution or regulation directly relating to matters within the scope of representation proposed to be adopted by the City Council and shall be given the opportunity to meet with the City Manager prior to adoption. In cases of emergency when the City Council determines that an ordinance, rule, resolution or regulation must be adopted immediately without prior notice or meeting with the Association, the City shall provide such notice and opportunity to meet at the earliest practical time following the adoption of such ordinance, rule, resolution or regulation.

The City agrees to post City job announcements on all bulletin boards at the earliest practical time.

## **Section 8. City Rights**

The rights of the City include, but are not limited to, the exclusive right to determine the mission of its constituent departments, commissions and boards; set standards of service; determine the procedures and standards of selection for employment and promotion; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of governmental operations; determine the methods, means and personnel by which government operations are to be conducted; determine the content of job classifications; take all necessary actions to carry out its mission in emergencies; and to exercise complete control and discretion over its organization and the technology of performing its work.

## **Section 9. No Discrimination**

There shall be no discrimination based on race, creed, color, national origin, sex, ancestry, marital status, pregnancy, sexual orientation, or legitimate union activities against any employee or

applicant for employment by the Association or by the City or by anyone employed by the City; and to the extent prohibited by applicable state and federal law, there shall be no discrimination because of age. There shall be no discrimination against any disabled person solely because of such disability unless that disability prevents the person from meeting the minimum standards established.

### **Section 10. Hours of Work**

The workweek consists of forty (40) hours. The employee will receive a paid forty (40) minute lunch period each workday during which the employee will be available for any emergency call.

The City agrees to the alternative 4/10 workweek and will continue the understanding between the Chief of Police and the Association for the life of the Memorandum of Understanding, subject to any operational modifications.

The Chief of Police will establish the number of shifts and start times for the forty hour (40) workweek.

An employee who is assigned in writing by the Chief of Police and approved by the City Manager to perform a job in another classification during the temporary or permanent absence of an employee shall be paid the first step of the higher classification which is above the salary step of the employee assigned to the acting position, but not less than five percent (5%). The City Manager may approve a "Y" rate outside an existing classification if additional duties so warrant.

#### **11.5 Training**

If a sworn officer at or below the rank of Police Sergeant required by the Department or by state law to attend a training class on his or her regular day off, or on his or her regular workday but not contiguous with his or her regular shift, he or she shall be guaranteed a minimum of two (2) hours' overtime at the overtime rate of pay which shall be paid. If a

sworn officer at or below the rank of Police Sergeant is required by the Department to attend a training class contiguous with his or her regular duty shift, he or she shall be guaranteed a minimum of one (1) hour overtime at the overtime rate of pay, with the understanding that there may be, at the Department's discretion, a break of less than fifteen (15) minutes between the end of the work shift and the beginning or end of the one (1) hour training period. Such overtime shall be paid.

**11.6 Stand-by**

If a Sergeant or Police Officer is placed on emergency on-call status, known as stand-by, by the Department, such employee shall be credited with one-half (½) his or her regular hourly salary rate during the period that he or she is on stand-by; provided, however that stand-by shall not be considered pay, salary, or compensation for the purpose of calculating present or future pension benefits; and that the employee shall be available at a telephone number supplied to the Department during the stand-by period, and must report for duty if called at the time specified by the Department; and that an employee will not be on stand-by for more than twelve (12) consecutive hours.

**11.7 Compensatory Time**

The present compensatory time policy as described in General Order 80-65 will be continued for the duration of this Memorandum of Understanding.

Maximum Compensatory Time accrual is eighty (80) hours.

**11.8 Court Time**

Employees who are off-duty and who are required to testify in court or attend a District Attorney's conference in any criminal matter will receive a minimum of four (4) hours' overtime computed at time and one-half (1-1/2). Overtime in excess of the minimum two (2) hours' or contiguous with a work shift will be computed at time and one-half (1-1/2) for actual time involved.

When circumstances warrant, the City Manager may approve an entrance salary which is more than the minimum salary. The City Manager's decision shall be final.

## **12.3 Step Increases**

The step plan of each salary range shall be applied and interpreted as follows for permanent and probationary employees:

The first step shall be the minimum rate and shall normally be the hiring rate for the class. In a case where it is difficult to secure a qualified person or if a person of unusual qualifications is engaged, the City Manager, after receiving the recommendation of the appropriate Department Head, and the advice of the Human Resources Director, may approve appointment above the first step.

The second step shall be paid upon satisfactory completion of one (1) year of paid status at the first step.

The third step shall be paid upon satisfactory completion of one (1) year of paid status at the second step.

The fourth step shall be paid upon satisfactory completion of one (1) year of paid status at the third step.

Following an unsatisfactory service rating report, a raise may be delayed by the Department Head for not more than six (6) months with the approval of the City Manager. A raise to any step may be made at any time by the City Manager on the recommendation of a Department Head whenever an employee exhibits unusual merit.

## **12.4 Conversion Rate**

Any yearly, monthly, per diem, or hourly rate of pay may be converted into any equivalent rate of pay or to any other time basis when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases, the Finance Director, subject to the approval of the City Manager, shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates.

## **Section 13. Health and Welfare**

### **13.1 Flexible Benefit Plan**

The City has contracted with the Public Employees' Retirement System (PERS) for the

purpose of providing medical insurance benefits for employees covered by this Memorandum of Understanding, eligible retired employees and eligible survivors of retired employees. Each employee shall be responsible for providing immediate written notification to the Human Resources Department of any change to the number of his/her dependents which affects the amount of the City payment to the Flexible Benefits Account. An employee, who by reason of failing to report a change in dependents, receives a City payment greater than the amount to which he/she is entitled shall be liable for refunding the excess amounts received via a reduction in the amount paid to his/her Flexible Benefits Account. Changes to flexible benefit payments required because of a change in an employee's number of dependents shall take effect at the start of the first pay period in the month next following the month in which advice from the employee is received by the Human Resources Department. The City has implemented the provision of Section 414(h)(2) Internal Revenue Code by making employee contributions pursuant to California Government Code Section 20691 to PERS on behalf of all its employees in this recognized group or class of employment. "Employee contributions" shall mean those contributions to PERS which are deducted from the salary of employees and are credited to individual employee's accounts pursuant to California Government Code Section 20691.

The City shall contract with PERS for Variable Rate Cost Sharing of up to the Permanent Cost Share of 5.057% under Government Code Section 20516(a), based on the optional benefits established in the Safety Plan of the City's contract with PERS for the 3% @ 50 and One-Year Final Compensation Optional Benefits. Effective the first day of the next full pay period following the effective date of the PERS contract amendment through June 29, 2013, in addition to the current 9% employee contribution, employees covered by this Compensation Plan shall contribute an additional 2% of the employee's PERSable earnings towards the employer retirement contribution. This 11% contribution shall be in accordance with Section 414(h)(2) of the Internal Revenue Code whereby employee contributions shall be tax deferred and not subject to taxation until the time of constructive receipt.

The employee may take this floating holiday only after completion of twelve (12) months' service with the City.

### **Section 17. Vacation**

The times during the calendar year at which an employee shall take vacation shall be determined by the City Manager or the designated representative with due regard to the wishes of the employee and particular regard to the need of the City. All employees shall, on a form provided by the City, indicate their preference for vacation periods. Preference of vacation date shall be given to employees according to their length of service in as reasonable a manner as possible. The City will post a final vacation schedule by January 1 of each year.

#### **17.2 Vacation Benefits**

Effective January 1, 2009 the City will convert its vacation accumulation system to a per pay period based accrual system. Upon ratification and adoption of this agreement, the City will retroactively credit all current employees with the value of the vacation they would have been receiving on a per pay period basis from January 1, 2009 to present. The prior annual accrual system will be discontinued and in subsequent years vacation accrual will be on a

pay period basis only.

Vacation benefits will be granted on a calendar year basis. Employees shall earn vacations on an anniversary year basis and shall be entitled on their next anniversary year to a vacation as follows:

Ten (10) working days of vacation with pay if he or she shall have been in the service of the City for a period of one (1) year or more but less than five (5) years prior to such anniversary date.

Fifteen (15) working days' vacation with pay if he or she shall have been in the service of the City for a period of five (5) years or more but less than six (6) years prior to such anniversary date.

For the purposes of this Section, a work week is 40 hours and a working day is 8 hours.

### **17.3 Vacation Accumulation**

Employees may accumulate no more than eighty (80) hours of vacation in addition to the employee's regular, annual vacation accrual entitlement, at any one time. Employees may accumulate no more than eighty (80) hours of vacation in addition to the employee's regular, annual vacation accrual entitlement, at any one time. In the event this maximum accumulation level is reached, the employee will temporarily stop accruing vacation until he/she uses vacation time and their accumulation level is again below the maximum level. An employee may submit in writing a request to accumulate vacation in excess of the maximum set forth above. Such excess accumulation may be approved, at the sole discretion of the City Manager, on a case by case basis. Except as so limited, earned vacation not used may be accrued and carried over from year-to-year without limitation.

During calendar years 2009 and 2010 employees will be allowed to accumulate two (2) times their annual entitlement, plus eighty (80) hours. This provision for additional accumulation will end on December 31, 2010, and this paragraph will become inapplicable. However, in June of 2010 the City will look at existing vacation balances and utilization plans, as well as Department scheduling and staffing levels to determine, at its discretion, whether it is appropriate to extend this higher accumulation level for one additional year (through 2011). Thereafter, the maximum will return to eighty (80) hours of vacation in addition to the employee's regular, annual vacation accrual entitlement, as provided for in the paragraph above.

### **17.4 Vacation Paycheck**

The City agrees to deposit an employee's paycheck in his or her bank account via direct deposit, if authorized by such employee, and if such employee is out of town on vacation on payday. The deposit of an employee's paycheck while an employee is on vacation shall be in accordance with procedures developed by the City Finance Director.

## **Section 18. Sick Leave**

### **18.1 Benefits**

Regular and probationary employees shall accrue sick leave at the rate of eight (8) hours per month, provided they have been in a pay status on one hundred sixty (160) straight-time hours that month. Except as so limited, earned sick leave not used may be accrued and carried over from year-to-year without limitation. Sick leave usage shall not be considered as a privilege which an employee may use at his or her discretion, but shall be allowed only in case of necessity of actual sickness or disability. Charge of sick leave used shall be on the basis of one (1) hour used; provided, however, that sick leave shall be charged for only those hours when the employee was absent from work. In no event shall sick leave be converted into a cash bonus. Sick leave may not be used before it is earned.

### **18.2 Notification Requirement**

In order to receive compensation when absent on sick leave, the employee shall notify his or her immediate supervisor one-half (1/2) hour prior to the scheduled time for beginning his or her work duties of his or her impending absence.

### **18.3 Doctor's Certificate or Other Proof**

A personal affidavit may be required for any period of absence for which sick leave is claimed; however, when absence is for three (3) consecutive days, at the discretion of the employee's supervisor the employee may be required to file a physician's certificate with the

Department Head stating the cause of the absence and certifying that such employee is not able to perform the duties of the employee's employment; and provided, further that, when absence is more than five (5) consecutive workdays, the employee shall file a physician's certificate with the Department Head stating the cause of the absence and certifying that such employee is not able to perform the duties of the employee's employment.

**18.4 Illness in the Immediate Family**

In compliance with State law, an employee may, during a calendar year, use sick leave up to the amount earned in six (6) months to attend to the illness of a child, parent, spouse or domestic partner. At the City's request, the employee will provide satisfactory evidence of the facts justifying such absence.

**18.5 Sick Leave During Probationary Period**

No sick leave shall be granted during the first six (6) months of employment with the City. However, when a permanent appointment is received, sick leave accumulation with pay shall be allowed for time worked in the probationary status, provided the one hundred sixty (160) straight-time hours per month work requirement has been met.

**Section 19. Leaves of Absence**

**19.1 Leave Without Pay**

The City Manager may grant regular employees a leave of absence without pay. No leave shall be granted except upon written request of the employee. Such requests shall be submitted to the City Manager. Such leaves shall normally be granted to permit the employee to engage in activities that will increase his or her value to the City upon return, or because of sickness, injury or personal hardship. Employees may not be granted a leave of absence until all accrued vacation is taken. Failure on the part of an employee on leave to report promptly at its expiration shall result in dismissal of the employee. Vacation and sick leave credits shall not accrue to an employee on leave of absence. The decision of the city Manager on granting or refusing to grant a leave of absence or extension thereof shall be final and conclusive and shall not be subject to the grievance procedure of this Memorandum of Understanding.

**19.2 Jury Duty**

An employee summoned to jury duty shall inform his or her supervisor and, if required to serve, may be absent from duty with full pay only for those hours required to serve.

**19.3 Military Leaves of Absence**

The provisions of the Military and Veterans Code of the State of California shall govern military leave of City employees.

**19.4 Pregnancy Leave**

Pregnancy Leave shall be subject to applicable federal and state law.

**19.5 Industrial Disability Leave**

Employees who suffer any disability arising out of and in the course of their employment, as defined by the Workers' Compensation Laws of the State of California, shall be entitled to disability leave while so disabled for the period of such disability to a maximum of one (1) year or retirement, whichever occurs first. Compensation benefits shall be determined and paid in accordance with the Workers' Compensation Laws of the State of California. Integration of sick leave with Workers' Compensation is to be automatic; the City may not

waive integration, and any employee entitled to Workers' Compensation must apply, therefore, before sick leave benefits are payable.

The City reserves the right to withhold payment of any disability benefits until such time it is determined whether or not the illness or injury is covered by Workers' Compensation.

#### **19.6 Funeral Leave**

In the event of a death in the immediate family of an employee, the employee shall, upon request, be granted such time off with pay as is necessary to make arrangements for the funeral and attend same, not to exceed three (3) regularly scheduled working days. (Five (5) days for the purposes of spouse, parent or child). This provision does not apply if the death occurs during the employee's paid vacation or while the employee is on leave of absence, layoff, or sick leave.

For the purposes of this provision, the immediate family shall be restricted to father, mother, brother, sister, spouse, child, domestic partner, mother-in-law, father-in-law, grandparents and grandchildren. At the request of the City, the employee will furnish a death certificate and proof of relationship.

Funeral leave applies only in instances in which the employee attends the funeral, or is required to make funeral arrangements, but is not applicable for other purposes such as settling the estate of the deceased.

### **Section 20. Probationary Period**

All original and promotional appointments shall be subject to a probationary period. The probationary period shall be regarded as a part of the testing process and shall be utilized for closely observing the employee's work for securing the most effective adjustment of a new employee to his position and for rejecting any probationary employee whose performance does not meet the required standards of work.

The probationary period for a Police Officer is twenty-four (24) months, and a Police Sergeant six (6) months.

These periods are normally considered sufficient to observe and evaluate an employee's performance of their full range of duties and responsibilities required in their position during "active duty". These periods may be extended for extended leaves of absence (including illness, injury or maternity leave) or limited duty. Extended leaves of absence or limited duty are not credited towards completion of the probationary period. In the event of extended leaves of absence, or periods of limited duty, in excess of fourteen (14) calendar days, the City may extend the probationary period by an equal amount upon prior written notification to the employee. The City may also extend a probationary period up to a maximum of six (6) months upon mutual written agreement with the employee. These provisions shall apply only to those employees hired or promoted on or after July 1, 1991.

During the probationary period, an employee may be rejected at any time by the City Manager without cause and without the right of appeal.

Any employee rejected during the probationary period following a promotional appointment shall be reinstated to the position from which he was promoted, unless he is discharged.

### **Section 21. Layoff and Reemployment**

In reduction of forces, the last employee hired shall be the first employee laid off, and in rehiring, the last employee laid off shall be the first employee rehired until the list of former employees is exhausted; provided that the employee retained or rehired is capable, in the opinion of the City, to perform the work required. An employee laid off from City service prior to being rehired must pass the physical examination administered by a City-appointed physician and must pass the background check administered by the Police Department. The names of employees laid off shall be placed on a Reemployment Eligible List as hereinafter specified.

Layoffs shall be made in the inverse order of Department seniority.

When a promotional reduction is made in the Police Department, demotions shall be made in the inverse order of seniority in classification. An employee being demoted shall be placed in the classification he or she last held prior to the classification from which he or she is being demoted. Time spent in the higher classification shall be treated as seniority time in the lower classification to which the employee is demoted for purposes of calculating seniority in that lower classification.

The Reemployment Eligible List shall consist of the names of employees and former employees having probationary or permanent status who were laid off in that classification. The rank order on such list shall be determined by relative seniority as specified above. Such list shall take precedence over all other eligible lists in making appointments to the classification in which the employee worked.

The name of any person laid off shall continue on the appropriate Reemployment Eligible List for a period of three (3) years after it is placed thereon. The names of any eligible employees on a Reemployment Eligible List shall be automatically removed from said list at the expiration of the appropriate period of eligibility.

Service with the City shall be terminated by discharge, resignation, or twelve (12) consecutive months of unemployment with the City.

An employee who is laid off shall not accrue or be eligible for any benefits, including but not limited to vacation, sick leave, holidays, medical, dental, life insurance, retirement contributions and uniforms. Any employee reemployed after a layoff shall retain all vacation and sick leave accruals that the employee did not receive compensation for at the time of layoff.

## **Section 22. Discharge or Discipline**

### **22.1 Right of Discharge or Discipline**

The City shall have the right to discharge or discipline any employee for dishonesty, insubordination, drunkenness, incompetence, willful negligence, failure to perform work as required or to observe the Department's safety and house rules and regulations which must be conspicuously posted and not in derogation of the Memorandum of Understanding, or for engaging in strikes, individual or group slowdowns or work stoppages, or refusal to accept overtime, or for violating or ordering the violation of the Memorandum of Understanding.

### **22.2 Appeals**

If an employee feels he or she has been unjustly discharged, he or she shall have the right to appeal his or her case through the appropriate procedure (Section 24.4). Such appeal must be filed with the City Manager or the Civil Service Board by the employee in writing within five (5) working days from the date of discharge and unless so filed the right of appeal is lost.

Any discharged employee shall be furnished the reason for his or her discharge in writing.

### **Section 23. Personnel Files**

An employee or his or her representative, on presentation of written authorization from the employee, shall have access to the employee's personnel file on request. Decisions of Arbitrators on matters properly before them shall be final and binding on the parties hereto, to the extent permitted by the Charter of the City.

#### **24.4 No Abridgement of Other Rights of Appeal**

The provisions of this grievance procedure shall not abridge on rights granted to employees under the City Charter or City ordinances, resolutions, rules and regulations providing other procedures for resolving disputes, except that an employee may not submit a grievance to an arbitrator in accordance with this grievance procedure if the employee has elected to use another procedure available under the City Charter or City ordinances, resolutions, rules and regulations for the resolution of his or her grievance.

## APPENDIX "B" - TRANSFERRING 1082 PENSION SYSTEM MEMBERS TO PERS

### AGREEMENT

### TRANSFERRING 1082 PENSION SYSTEM MEMBERS TO PERS

This Agreement, entered into this 31<sup>ST</sup> day of May, 1990, by and between the CITY OF ALAMEDA, a municipal corporation (hereinafter "City") and the members (hereinafter "Members") of the 1082 Pension System (hereinafter "1082 Plan"), is made with reference to the following:

#### RECITALS:

A. The City of Alameda created by ordinance the 1082 Plan which provides pension benefits for its Members.

B. City and Members desire to transfer membership in the 1082 Plan to the State of California's Public Employees' Pension System (hereinafter "PERS").

NOW, THEREFORE, it is mutually agreed by and between and undersigned parties as follows:

- 1) As soon as practicable all current retirees and all current active and future employees covered by the 1082 Plan will be transferred to the PERS Safety, 2% at 50 full formula as provided in Section 21252.01 of the Government Code of the State of California, including the following optional benefits:
  - a) Section 20024.2 (One Year Highest Compensation)
  - b) Section 20835.1 (Limit Prior Service to Members Employed on Contract Date)
  - c) Section 21361.5 (Local System Service Credit)
  - d) Section 20862.8 (Credit for Unused Sick Leave) and (non-restricted accrual of sick leave)
  - e) Section 21263 and 21263.1 (Post-Retirement Survivor Allowance)
  - f) Section 21266 (Post-Retirement Survivor Allowance to Continue After Remarriage)
  - g) Section 21382.4 (Third level of 1959 Survivor Benefits). Employer will pay employer contribution.
  
- 2) Upon the City transferring the 1082 Plan to PERS, the IRS will

APPENDIX "B" - TRANSFERRING 1082 PENSION SYSTEM MEMBERS TO PERS

be requested to review the tax consequences of the following language: "Any election to convert the City paid employee contribution will be revoked in the event the employee returns to duty status."

- 3) Upon the City transferring the 1082 Plan to PERS, the following language will apply to all safety employees of the City:

Employees who are members of the Public Employees' Retirement System (PERS) may participate in a PERS "Pick-Up Program". Said Program operates under the provisions contained in Section 414(h)(2) of the Internal Revenue Code concerning the tax treatment of employee retirement contributions to PERS paid by the City of Alameda on behalf of said employees.

The City shall contribute to PERS each pay period a portion of the employee contribution rate as established by law equal to nine percent (9%) of the employee's "compensation" as that term is administered by the Board of Administration of PERS.

Contributions made pursuant to this section shall be reported to PERS as "employee contributions being made by the contracting agency." The City will not treat these contributions as compensation subject to income tax withholding unless the Internal Revenue Service or Franchise Tax Board determines that such contributions are taxable income subject to withholding.

Each employee is solely and personally responsible for any federal, state or local tax liability of the employee that may arise out of the implementation of this section or any penalty that may be imposed therefor.

Except as set forth in the following paragraphs the aforesaid contribution shall be considered solely for the purpose set forth herein and shall not be considered for any other purpose including, but not limited to, being considered as part of any employee's salary for the purpose of computing straight-time earnings, compensation for paid leaves, compensation for overtime worked, compensation benefits and the City's contribution to PERS.

Any employee who has attained the age of forty-five (45) may elect to convert the said City-paid employee contribution to PERS to a salary increase of the same amount. Such election shall be irrevocable, must be made in writing and received by the Personnel Director, and shall become effective on the first of the month

"Sec 3 deleted circa July 1994"

## APPENDIX "B" - TRANSFERRING 1082 PENSION SYSTEM MEMBERS TO PERS

following the date of election. In the event of such election the employee will thereafter be required to make the total amount of his or her contribution rate established by law.

In the event an illness or injury occurs which may cause an employee's retirement, that employee may immediately convert the nine percent (9%) City-paid employee contribution to the retirement fund to a nine percent (9%) salary increase, in which event the employee will be required to pay the total amount, nine percent (9%), of the employee contribution which had been paid by the City to the retirement fund.

The City shall afford the employee, at the employee's option, the ability to pay the nine percent (9%) City-paid employee contribution to the retirement fund retroactive twelve (12) months prior to an illness or injury which may cause an employee's retirement.

Any election to convert the City paid employee contribution will be revoked in the event the employee returns to duty status.

- 4) Upon the City transferring the 1082 Plan to PERS, the following language will apply to all 1082 safety employees and retirees who retired under 1082 who elect to transfer to PERS and current safety employees:

- a. Medical Insurance

For 1082 retirees and future Public Safety retirees who are currently members of one of the City sponsored health plans, the City shall contribute the health plan costs, at the one party or two-party rate as the case may be, for that plan until the retired employee is eligible for Medicare coverage. If and when the retiree becomes eligible for Medicare coverage, Part A and Part B, then the City shall provide the retiree a Medicare supplementary program as provided for in Government Code Sections 22819 and 22859. In place of the above described rates, the City will pay the full cost of such Medicare Supplement Program. Any of the above mentioned retirees who currently are not enrolled in a City sponsored health plan may elect to receive a monthly contribution by the City, equal to the average of the one-party or two-party rates, whichever is appropriate, paid by the City, to a qualified health care plan (on record with the City) for the purpose of purchasing health care. Retired employee dependent eligibility for City health plan contribution is conditional upon the active enrollment of the retired employee.

## APPENDIX "B" - TRANSFERRING 1082 PENSION SYSTEM MEMBERS TO PERS

For an employee of the City, who was married at the time of retirement and who dies during retirement, the surviving unmarried spouse of the retiree will have his or her medical insurance paid by the City at the single party rate.

If a retired employee remarries, the retiree may add the retiree's spouse to the medical insurance coverage at the retiree's expense.

### b. Dental

1082 retirees and future Public Safety retirees may elect to receive a monthly contribution by the City, equal to the one party or two party rate, as the case may be, paid by the City, to a qualified dental care plan (on record with the City) for the purpose of purchasing dental care. For an employee of the City, who was married at the time of retirement and who dies during retirement, the surviving unmarried spouse of the retiree will have his or her dental insurance costs paid by the City at the single party rate. Should the City provide a dental benefit plan covering retired employees at a later date, the City shall provide the retiree and the surviving spouse the option of joining said plan at City cost at the appropriate rate. If a retired employee remarries, the retiree may add the retiree's spouse to the dental insurance coverage at the retiree's expense.

- 5) Any monies left in the 1082 Fund after the necessary funds have been transferred to PERS will be administered by the 1082 Pension Board to fund Health & Welfare (e.g. medical and dental) benefits for eligible retirees and dependents formerly members of the 1082 Pension System. Any other use of these monies would be a subject of negotiation with the Alameda Police Association and IAFF Local 689 representatives and would require their concurrence.
- 6) An individual Member who is retired from the City of Alameda under 1082 may make an irrevocable election to remain in the 1082 Plan. The existing benefits of the individual Member of the 1082 Plan at the time of election shall remain in full force and effect, without additions or deletions. Such election shall be made in writing to the City's Personnel Director and be made within 15 days from the date of the receipt of the Notice of Election.
- 7) This Agreement shall be effective upon ratification of all PERS transfer/contract amendment requirements. Non-restricted accrual of sick leave for purposes of Optional Benefit Section 20862.8 shall be effective as of January 1, 1990.

APPENDIX "B" - TRANSFERRING 1082 PENSION SYSTEM MEMBERS TO PERS
