SCHOOL TRAFFIC SAFETY TIPS

The Alameda Unified School District and the City of Alameda Police and Public Works Departments are working together to improve traffic circulation at schools. Your assistance is critical in this effort! **Please review these tips and highlight your school route on the back page.**

If you currently drive your child to school, **consider bicycling, walking or carpooling, even just one or two days a week.** Small changes make large differences in traffic and air pollution, and can inspire your kids to form fun and healthy habits.
