

## Give yourself a pay raise.

### Use transportation benefits to bring home more of your paycheck.

Who couldn't use a little more money? The Transportation Benefit is a great perk that saves you 40% or more! A Transportation Benefits Plan is a great way to reduce your commuting expenses by allowing you to set aside pre-tax money for qualified commuter and parking expenses you incur getting to work. The pre-tax maximum to be contributed for Mass Transit is \$130 per month.

#### Commuter Benefit

Pay for transportation to and from work tax free. Common eligible expenses include transportation through train, bus, subway, and ferry. Up to \$130 per month can be contributed on a pre-tax basis.

#### Simple Access to Your Transportation Funds

With the Benefits debit card, participants can pay providers at the time of service directly from their Transit account. Transit receipts are not required by Discovery Benefits to reimburse claims. We recommend that participants keep receipts for their own records.

#### Additional Plan Features

- 24/7 online account access
- Mobile apps and text alerts
- Single sign-on for all reimbursement accounts
