Community Workshop for the AC Transit Line 51A Corridor Delay Reduction and Sustainability Project

AC Transit in coordination with the City of Alameda Public Works Department invites the public to a community meeting to discuss potential improvements to the AC Transit Bus Line 51A Corridor.

When: Tuesday, July 9, 2013 at 7:00 p.m.

Where: City Hall, 2263 Santa Clara Avenue, City Council Chambers

What: Potential options for improvements to reduce delay along the Line 51A bus corridor include:

- Bus only lane extension on Webster Street between Atlantic Avenue and Willie Stargell Avenue.
- Bus stops improvements (bus bulbs, shelters, benches and trash cans).
- Bus stop relocation or elimination.
- Intersection and traffic signal improvements.
- Transit priority signal timing improvements.

This community meeting is a working session to present and review proposed improvements for the Line 51A bus corridor along Webster Street, Santa Clara Avenue and Broadway, and then to discuss them in small groups.

For more information on proposed improvements for Line 51A bus corridor, please go to: <http://alamedaca.gov/public-works/line-51>.

Community members who are unable to attend this working session could submit written comments by 5 p.m. on Tuesday, July 23, 2013 to Tammy Kylo, AC Transit, Administrative Coordinator at 1600 Franklin Street, Oakland, CA 94612 or by email at planning@actransit.org. All written comments will be part of the official public record. The City of Alameda Transportation Commission will review the recommended options on Wednesday, September 25, 2013 at 7:00 p.m. (City Council Chambers, 2263 Santa Clara Avenue). Any questions or concerns should be directed to Tammy Kylo by phone at (510) 891-4854.
