Is it your dream to start or grow your own business?

.....
Women's Initiative can help you every step of the way

Do you have a great idea for a product or service, but don't know where to start? Are you looking to grow your current business? Are you an entrepreneur who's determined to succeed?

Come to Women's Initiative for the most comprehensive business training for women entrepreneurs. You'll gain essential management skills, strengthen your confidence, and develop a strategic plan for your company.

Attend a FREE

My Business Action Plan workshop

Before you begin our business management training, you must attend one of these free workshops. My Business Action Plan will give you more information about the Women's Initiative program and will help you learn the steps you need to make your dream a reality. If you're already in business, we'll help you assess your current situation and pinpoint possible areas of improvement.
